

**MEDINA COUNTY  
HISTORICAL  
COMMISSION**

The purpose of the MCHC shall be:

- to identify and recognize historically significant sites, events and individuals of Medina County, and
- to support and promote, whenever possible, the purpose of Texas Historical Commission.

These goals may be accomplished through a variety of activities including, but not limited to:

- placement of markers,
- surveys of historical buildings and sites,
- preservation of the county's heritage through written and oral history, and
- promotion of education to the citizens of the county and its visitors.
